The vote of the anonymous awards committee was announced at the annual meeting of the membership of the Little Theatre held last Thursday, January 24th.

The award-winning play was directed by Mrs. Frank Kiefer and starred Jewell Tiemann. In the principal supporting roles were Mrs. Rene DeMontuzin, Andre Reneaux, Mrs. Eugene Ling, Mr. John Hart. Also in support were Mrs. Charles Carter, Capt. Harold Powell, Ed Calvin, Ted Stetchemann Jr., John Stern and Herman Carter.

COAST COUNCIL GARDEN CLUBS MEET FRIDAY

The Gulf Coast Council of Garden Clubs will hold an executive meeting at 1 p. m., followed by a general meeting at 2 o'clock Friday 1 at Hotel Markham, Gulfport.

Below are the Hancock County North Central "Hawks" basketball team, winners of the Bay Divisional Tournament, last Saturday night, over Bay High, by a score of 66-46. Winner of the girls' division was Pass Christian, by a score of 49-44 over Bay High. Fayard photo

Walter H. Godfrey Jr., 44, and William Corn, 43, of Atlanta, Ga., were each given four-year terms in the Mississippi penitentiary by Judge Leslie B. Grant in Circuit Court Friday. State attorneys not pressed a second indictment pending against Godfrey and Corn charging possession of narcotic paraphernalia.

The case of Matt Ballatin, who pleaded innocent to an embezzlement charge, was continued to the May term.

Rudolph Tillman, pleaded guilty to assault and battery with intent to kill and sentence was passed to the May term.

E. N. Wells pleaded innocent to disturbance of the Stevin Ladner family November 2. The case was continued to the May term.

Arnold Hickman, who pleaded guilty to robbery, was given 15 years suspended sentence, and placed on probation for five years.

Jeff Garcia pleaded guilty to child desertion and was given one year suspended sentence and five years probation.

Court adjourned Friday.

NEW AUXILIARY PRESIDENT READY FOR WORK

"Let's roll up those pretty pink sleeves, ladies, and get to work", Mrs. Ben Hill Sr., newly elected president of the Hancock County General Hospital Auxiliary, stated at a called meeting of the executive board held at her Washington Street home Monday.

The duties of various new chairmen were discussed and plans tentatively formulated for special events scheduled for February and early March. Among events are participation of pink ladies in the carnival parade and the 1963 membership drive.

The regular executive board meeting will be held at the hospital at 9:30 a. m. Monday, February 4, to be followed by a general meeting at 10 a. m.

Mrs. Elizabeth N. Wates, chairman of the Mississippi Chapter of Arthritis and Rheumatic Foundation, Jackson, will be guest speaker. The topic of her discussion will be "Home care for such patients." A film will also be shown in connection with the subject.

All members are urged to attend, and if possible, bring a new member.

Sheriff Price Explains Items In Grand Jury Report

Dear Editor:

This is an open letter to the people of Hancock County, and anyone else who may be interested in reading same. I am writing this letter in order to clear up certain things which were mentioned in the Grand Jury's report, said report having been published in the January 24th issue of your newspaper.

The Grand Jury complained about the food bill for the jail each month and recommended that the prisoners get out and work in order to earn their keep while in jail. I would like to state that the prisoners in the Hancock County Jail are placed there by the Mississippi Highway Patrol, the constables of each Beat in Hancock County, the City of Bay St. Louis policemen, the Marshal from the Town of Waveland and the Sheriff's Department.

As for the prisoners working while they are incarcerated in the County Jail, I would like to make mention of the jobs which the prisoners do while in jail.

- (1) The prisoners keep the jail and Courthouse grounds clean.
- (2) Once a week, the prisoners clean the Highway neutral ground and shoulders from the intersection of the Bay St. Louis Toll Bridge and North Beach Boulevard to the city limits.
- (3) Once a week the prisoners

Mothers March Tonight

The Mothers March with Mrs. Dan M. Russell as chairman is being conducted tonight.

Co-chairmen for the drive are Mesdames Earl Fayard, Norman Green and Esther Bragg, Cedar Point; Mesdames, Fred Fayard, Thelma Landry and Harold Zimmerman, Waveland.

Mrs. Theo Tudury, Hancock County chairman of the March of Dimes, reported this week the drive is lagging and she is asking those who wish to contribute and who were not contacted during the Mothers March to call her at HO-7-5392 or Mrs. Russell at HO-7-4239 and the donations will be picked up.

clean the Hancock County Welfare Department and Department of Agriculture buildings.

- (4) The prisoners go to the cemeteries when called on and clean up the grounds.
- (5) The prisoners assist in the hauling and unloading of rocks for the Public Pier being built by the American Legion Home when rocks are made available from County works.
- (6) They cut grass along the County Seawall.
- (7) They cut grass and clean the Hancock County Home for the Aged once a week and in the past year they made a concrete walkway from the Home to the Service Lane by the Home.
- (8) The prisoners cut the grass and clean the Hancock County General Hospital grounds once a week and they clean windows and do other things that are needed at the Hancock County General Hospital.
- (9) They have assisted the Mississippi Conservation Department in unloading oyster shells when the Department made oyster beds in the Bay of St. Louis.
- (10) The prisoners have volunteered to give blood at the Hospital whenever needed.

I would further like to say that all prisoners, not in jail for felony or ill, work on the above projects. While on this subject I would like to give you, the people of Hancock County a few facts which might very well fascinate you.

In Harrison County, they have five (5) patrol cars, one for each Beat, and the Harrison County General Fund pays for this. Harrison County also pays the salaries of the deputies who drive these cars, furnish the automobiles and pay all automobile expenses. Harrison County also furnishes a man to operate the two-way radio and a man to operate the teletype machine.

In contrast, the Sheriff of Hancock County, Gerald V. Price, must furnish all patrol cars, pay all of the salaries of his deputies and pay all of the expenses of the patrol cars, such as gas, tires, etc. The Sheriff of Hancock County must furnish a man to operate the teletype machine and the two-way radio and the Sheriff must pay the operator's salary.

The average cost per month of the above services, which costs are borne by the Sheriff are as follows: Salaries to Deputies and Radio Operator \$900.00. Repairs and Gasoline for Patrol Cars \$500.00.

This makes a total of \$1400.00 per month expended by the Sheriff's Office in order to run the office efficiently and it does not include the salaries paid to the ladies who work in the Tax Collector's Office. All of the above is done at no cost to the taxpayers of Hancock County.

I would also like to state that for the first time in the history of Hancock County the Sheriff's Office has a twenty-four (24) hour service. The Sheriff's Department has a deputy on duty and in the Patrol car twenty-four (24) hours a day for your protection. The Sheriff's Department has been called at all hours of the night on emergencies. There is always a man in the Sheriff's Office to answer any emergency call.

The Sheriff's Department, during my term of office, has had to go as far as Slidell, Louisiana to pick up instruments to be used in an operation at Hancock County Hospital. We have had to go to the Mississippi State line in order to pick up blood plasma which was needed at the Hancock County Hospital. We have had to go to all parts of the County on various emergencies at all times in the night. All of this has been done at no cost to the taxpayers of Hancock County.

The Sheriff's Department of Hancock County has solved ninety-five (95) per cent of the robberies committed in our County. I would like to take this opportunity to state that I am very proud of the work done by my Deputies and the prisoners in the Hancock County Jail and that my office will continue to have twenty-four (24) hour service as long as I am Sheriff and it will continue to serve the people of Hancock County as best as it can.

I want to thank the newspapers for being so courteous to me in giving me the necessary space to print this letter and I want to apologize for the length of same, however, I felt that something should be said in order to clear up certain statements made by the Grand Jury of Hancock County.

Yours very truly
GERALD V. PRICE, SR.
Sheriff of Hancock County

COUNTY-CITY MPC TAXES AMOUNT TO \$50,691.32

Mississippi Power Company, one of the area's largest taxpayers, this week made payment of \$29,445.19 to Hancock County for 1962 ad valorem taxes. A check for this amount was delivered to the Hancock County Sheriff by A. H. Gregory, Bay St. Louis local manager.

In addition, a company check in the amount of \$11,589.80 in payment of city taxes was given to the Bay St. Louis city tax collector and another for \$1,160.60 to the Waveland tax collector.

Mr. Gregory said that the franchise payments for the last quarter of 1962 had been made earlier, bringing the total for the year to \$6,287.62 in Bay St. Louis and \$2,248.02 in Waveland. This amount represents 2% of the company's gross revenue in Bay St. Louis and Waveland during 1962.

Total city and county taxes and franchise payments amounted to \$50,691.32 for 1962, a substantial contribution to the operation of local government in Hancock County.

More than \$1.9 million was paid by Mississippi Power Company for 1962 ad valorem taxes alone. Total taxes for the year, including federal, state and local, amounted to more than \$7.3 million. This required 24.7 cents out of each dollar of revenue received by the company.

Schedule One-Week Mission

Rev. William Brody, Member of the Chicago Mission Band who will conduct the Mission at Our Lady of the Gulf Church Feb. 3-8.

The Right Reverend Monsignor James J. Hannon, Pastor of Our Lady of the Gulf Church, Bay St. Louis, announces the opening on February 3rd, of the annual Parish Mission. This year Mission will be conducted by Father William Brody, a member of the Chicago Mission Band. Father Brody was born in 1922. He studied at Quigley and Tuller Seminars and was ordained to the priesthood by the Cardinal of St. Louis in May of 1955. For 6 years he engaged in parish work and at the same time was active in conducting marriage courses for high school students and engaged couples. In July of 1961 he was assigned to the Diocesan Mission Band and since then he has been active in giving Missions and retreats and days of Recollection.

Combined with the Mission will be the annual Forty Hours Devotion. The following is a complete schedule for both the Mission and the Forty Hours Devotion:

Feb. 3: Mission opens - Fr. Brody will speak at each of the Masses on Sunday. Forty Hours Devotion opens at the 11:30 Mass which will be a High Mass, followed by a Procession of the Blessed Sacrament. The Blessed Sacrament will remain exposed until 5:15 at which time Benediction of the Blessed Sacrament will be given.

Feb. 4: Morning Masses at 6:30 and 7:30. A short talk will be given after each of the Masses. There will be a High Mass for the children at 11:30. The Blessed Sacrament will be exposed from before the 6:30 Mass until after the evening services which will be at 7:30.

Feb. 5: Morning Masses at 6:30 and 7:30 with a short talk after each Mass. The Blessed Sacrament will be exposed all day from before the 6:30 Mass until after the evening services which will be at 7:30. Solemn closing of the Forty Hours Devotions at the evening services consisting of a High Mass and Procession of the Blessed Sacrament. Those making the Novena to Our Lady of Perpetual Help may say the Novena prayers privately during Mass.

Feb. 6: Morning Masses will be at 6:30 and 7:30 with a short talk after each. The evening services will be at 7:30.

Feb. 7: Same as February 6.

Feb. 8: Morning Masses at 6:30 and 7:30 with a short talk after each. Solemn closing of the Mission at 7:30.

1) Confessions will be heard after the evening services on Monday, Tuesday, Wednesday, Thursday until all are heard. Communion will be distributed each evening.

2) All evening meetings of the C. D. C. Y. O. and Legion of Mary will be cancelled during the week of the Mission.

3) The Junior Legion of Mary will furnish baby sitting services in the parish hall each evening, Monday through Friday.

4) During the Forty Hours Devotions on Sunday, Monday and Tuesday all are urged to visit the

John D. Rutherford Jr., chairman of the Hancock County Blood Bank, who declared an emergency at a special meeting of the Blood Bank committee Tuesday night at the American Legion Home, set Thursday, February 7, as the date for a blood drawing, which will be held from 2 to 8 p. m. at the Youth Center on Ulman Avenue.

Rutherford stated, "the blood bank is entirely out of blood and actually owes blood to the American Red Cross for blood already used."

"A check of records," he continued, "indicates a tremendous drawing of blood for Hancock County residents." Local physicians implored immediate action by the committee to get a large supply of blood and stressed the importance of an immediate drawing.

In an appeal to the public, Rutherford pointed out the vital need for participation by every able person in Hancock County to give blood at the February 7 drawing.

"More than 100 lives have been saved through the immediate supply of blood by the Hancock County Blood Bank," Rutherford continued. "This life giving flow of blood must continue," he added.

"Permanent residents and newcomers are urged to join in this community effort and give blood at the drawing," the chairman concluded.

Attending the meeting were Rutherford, Mr. and Mrs. K. W. Pepperdine, Mrs. John Rutherford Jr., V. J. Frankewicz, Mrs. Alden Mauffray, Mrs. Eugene Ling, Edward Murtagh, Hugh Sanford, Mr. and Mrs. E. Virgilio, Miss Adele Parks, Harold Saucier, Mr. and Mrs. Herbert Cardin, Mrs. Henry Prevou, Mrs. Merlin Ladner, George Heitzmann, Mrs. Theo Tudury, Gordon C. Romanoff, Mrs. George Prewitt, Mrs. T. T. Reboul, and Tom Logue.

FEBRUARY FIRST DEADLINE

February 1, is the deadline for payment of real estate and poll taxes for 1962.

Tax Collector Gerald Price Sr., advised after February a penalty must be charged on real estate taxes.

NAMED CHAIRMAN

Mrs. Paul O. Fassnacht has been named chairman of the Neighborhood Girl Scout cookie sale which will begin February 23, and end March 9.

The proceeds of the sale will go towards the purchase of an established camp in the council area.

MEETING SCHEDULED

A meeting of the Gulf Coast Stamp club is scheduled for 8 p. m. Saturday at the Coast Electric building. The program will be on perforation.

John Wheat, who at one time served as a member of the Board of Supervisors from Beat 2 is seriously ill in Crosby Memorial Hospital, Piquette, Miss.

Blessed Sacrament.

What is a Mission? A Mission consists of a course of sermons on the importance of salvation, on sin as an obstacle to salvation, on the great truths of eternal life, on particular vices, the beauty of virtue, the mercy of God, and the love of God for souls. The object of a Mission is first, to make the faith of the good a living faith. Secondly, to arouse the lukewarm to a life of fervor. Thirdly, to encourage weary despondent sinners to make their peace with God.

Fourthly, to reclaim those who have strayed away from the practice of their religion. Fifthly, to make all classes of people take more to heart the real reason for their existence in this world, namely to know, love, and serve God. All too many lose sight of the importance of the salvation of their souls. "What does it profit a man if he should gain the whole world but suffer the loss of his own soul?"

A Mission, therefore, is a time of special grace and a special time of grace.

Let all avail themselves of these special graces and make good use of this special time. A cordial invitation is extended to both Catholics and non-Catholics to attend the exercises of the Mission.

LARGEST PAID CIRCULATION IN HANCOCK COUNTY

Entered as Second Class Matter in the Postoffice at Bay St. Louis, Ark. at March 3, 1878.

THE NEW COURTHOUSE ISSUE

Do we need a new courthouse for Hancock County? Can the present courthouse be repaired and a new annex be constructed, which could provide office space for three or four county officials, thereby providing more office space for those officials remaining in the present building? Which would cost Hancock County less money? Would it be advisable to remove the courthouse from the city limits of Bay St. Louis?

These and many more questions will be asked at a meeting to be held at the courthouse Monday night, February 4th, at 8 o'clock. The meeting is being sponsored by the Community Development Committee, of which Tom Logue is chairman.

This will not be an official meeting, but rather one to which everyone in Hancock County, interested in its future development, is invited and will be free to express their views on the courthouse matter.

At a later date an official committee will appear before the Board of Supervisors, and present the findings gathered at these meetings, and attempt to arrive at a definite conclusion.

As to the possibility of building a new courthouse outside the city limits of Bay St. Louis, as is being rumored, we believe that this would be the worst thing that could possibly happen to Bay St. Louis. We believe such a move would take most of the business away from Bay St. Louis proper and would cause a complete collapse in our development program, which at the present time has a bright outlook. We are positively opposed to such a move. We believe the present courthouse building can be repaired and an annex built nearby which would relieve much of the congestion now apparent.

We hope that everyone who can, will attend the meeting on Monday night and be prepared to express his or her views on this vital matter.

TO OUR PATRONS AND FRIENDS

On February 1, 1963

we will celebrate the 32nd anniversary of our years in business in Bay St. Louis. Without your support and patronage it would not have been possible and we thank you most humbly and assure you of our utmost appreciation. We have tried to build our business on service and honesty and have always kept your interest uppermost in our minds. Also, we have tried to sell the very best lines of merchandise - in the Service Station we consider Good Gulf Products the best attainable and in our dealership - Pontiac and Tempest cars cannot be surpassed. Too, in keeping with the times we give Grand Prize Trading Stamps.

Business today is not the smooth sailing that it was in 1931. Today in all lines of business, competition is keen and sometimes very unscrupulous, profits are small and expenses are high, but we are still striving to maintain our high quality of service at a minimum cost to our customers.

To those of you who have been our patrons, we again give you thanks, and to those who have been our friends, we offer a sincere invitation to now do business with us as we really want and need your patronage.

To the newcomers in Bay St. Louis, we extend a warm welcome and an invitation for you to come to us with your car needs or for any information that we might help you with.

and Mrs. Sam Noto had as guests her brother-in-law, Mr. and Mrs. R. John of Mobile.

Shella Gottschalk returned to school after spending the mid-semester holidays with her parents, Mr. and Charles Gottschalk.

Joseph Gex, who has been attending semester holidays with his mother, Mrs. W. J. Gex Jr., returned to the University of Mississippi Wednesday.

Assistant County agent John Hughes and Home Agent Mrs. Mar Hughes are attending an adult training meeting in Hattiesburg today.

GUE ADDRESSED NORTH CENTRAL JUDENT BODY

Tom Logue, Administrator of the Hancock General Hospital, addressed the student body of North Central School Tuesday, January 8. He spoke of the career opportunities in hospital work, the need for registered nurses, practical nurses, and nurses' aides; X-ray technicians; medical technologists; dietitians; clerical workers; medical records librarians; and, of course, doctors. He envisioned the hospital as adequately staffed for the increased needs of the county in the next five years. He gave information on the type training needed for each of the duties involved, and salary.

Consumption of electricity by residential customers of Mississippi Power Company increased 23.4 percent during the 12 months ending December 31, according to A. J. Watson, company president.

To stay well ahead of customer requirements, Mr. Watson said that the power company expected to spend approximately \$10.1 million during 1968 for construction and expansion.

Mr. Watson said that for the year ending December, 1967, the kilowatt-hour usage was 3,517 per customer, as compared with 4,255 kwh for the year ending December, 1966. This figure is in excess of the national average.

"Over-all," he continued, "the company's 1967 kwh sales increased 17.1 percent over the preceding year. Sales to industrial customers were 14.8 percent above 1966 and sales to commercial customers amounted to a 13.7 percent increase."

On August 8, 1967, the company established its all-time summer peak load of 406,000 kilowatts - a jump of 18 percent over the 1961 summer peak.

Mr. Watson announced that major projects scheduled for completion during 1968 include: high voltage transmission lines from Biloxi to Pascagoula, from Bay St. Louis to Poycune, and from the new electric generating plant, now under construction in Greene County, Alabama, to Meridian.

Mr. Watson said that primary substations would also be built at Ocean Springs, Pascagoula, the Standard Oil Refinery at Bayou Casote, Meridian and Poycune. Additional substation capacity will be installed in Shubuta and Poplarville, he said, as well as strengthening of distribution feeder lines in Hattiesburg, Laurel, Meridian, Forest and Taylorville.

Mr. Watson indicated that initial construction will start on a

modern steam-electric generating plant in Alabama, about 80 miles from Meridian. The plant to be built and owned jointly by Alabama and Mississippi Power Companies, has generating potential of one million kilowatts. The initial generating unit, scheduled to be in operation by April, 1969, will have a generating capacity of 250,000 kw and will use coal as fuel.

Mr. Watson said that customers of Mississippi Power Company directly benefit from the economical heat source provided by the vast coal reserves located near the plant site.

As an indicator of the steady growth of the 23-county area served by the company, Mr. Watson pointed to the increase in the number of residential, commercial and industrial customers served by the company. At the end of 1967, the company was serving 114,652 customers. For the year just ended, the number had increased to 117,600.

During 1967, Mississippi Power Company invested \$7.9 million in new generating, transmission, distribution and other electric facilities. The major project was completion of a third generating unit at the Company's Gulf Coast Plant, between Gulfport and Biloxi. This modern 112,000-kilowatt steam-electric unit, capable of supplying the power needs of 150,000 homes, went into commercial operation June 8.

GUAGLIARDO FINAL RITES HELD HERE SUNDAY

Miss Mary L. Guagliardo, 54, died at 12:15 p. m. Friday, January 25, at Hancock General Hospital. She was a native and lifelong resident of Bay St. Louis.

Survivors are two brothers, Frank Chiniche, Bay St. Louis; Sylvester Guagliardo, Gulfport; four sisters, Miss Lucy Guagliardo, Mrs. James Austin, Mrs. Joseph Michel, all of Bay St. Louis; and Mrs. Charles Koberger, Gulfport; three step-brothers, Peter Chiniche and Joe Chiniche, both of Bay St. Louis; and Sylvester Chiniche, Biloxi; three step-sisters, Mrs. Tony Compretta, Mrs. Charles Giametta, Bay St. Louis; and Mrs. Russell Russo, Pass Christian.

Funeral services were held at 1:45 p. m. Sunday from Riemann's Fahey-Whitfield Chapel with religious rites at Our Lady of the Gulf Catholic Church. Interment was in St. Mary's Cemetery.

Pallbearers were Sylvester Guagliardo, Tony Benigno, Norman Benigno, Norman Compretta, Joe Caioppe and Vincent Morealle.

Clifton-Resch Wedding In Mississippi City

St. Marks Episcopal Church, Mississippi City, was the setting for the wedding recently of Miss Nan Inez Resch, daughter of Mr. and Mrs. Harold B. Carver of Mississippi City and Bay St. Louis, and Riley Ray Clifton, son of Mrs. Helen B. Clifton and Urban Clifton of Gulfport.

The Rev. Herbert Ward, vicar, performed the double ring ceremony before an altar banked with arrangements of white gladioli.

Ralph Wittall III, organist rendered a program of liturgical music and accompanied Richard Merrill who sang Schubert's Ave Maria.

Given in marriage by her father, the bride wore a silk organza gown fashioned with a panel of Alencon lace appliques re-embroidered in seed pearls down the front of the bodice and full skirt. Her train was fastened to the waist with small bows, and a finger-tip veil of illusion fell from a crown of seed pearls. She carried a bouquet of pink roses. Her only jewelry was a string of pearls, a gift of the groom.

Miss Katherine Ann Davis, Gulfport, was maid of honor, and bridesmaids were Misses Golden Clifton, Mississippi City, Nancy White, New Orleans, and Beverly Forrest, Gulfport, Joey Marshall

was ring bearer and Sonya Craig, flower girl.

Richard Barnes, Biloxi, was best man. Groomsmen were Oliver B. White, New Orleans, Kevin Clifton and Weldon Craig.

A reception was held at Barnabas Hall. Mrs. Carver received their guests wearing a two-piece tan silk brocade suit and matching accessories.

The mother of the groom chose a navy blue dress, white hat and black patent accessories. They wore corsages of pink rose buds. For traveling the bride wore a beige suit, matching accessories and a shoulder bouquet of pink rose buds.

On their return from a wedding trip to Pensacola, Fla., the couple will be at home at 2711 1/2 Kelly Street, Gulfport.

Mrs. Clifton, a graduate of Gulfport High School, Class 1962, attended the University of Southern Mississippi, and the groom, who graduated in 1962 from Gulfport High, is presently employed by a Sheet Metal Firm in Gulfport.

Attending the wedding from Bay St. Louis were Mr. and Mrs. Jerome Carver, Mrs. Betty Layne and children Ricky and Nita Kay, Mr. and Mrs. Norton Haas Jr., Miss Margaret Holzhauser, Mrs. Ralph Ash and Mr. and Mrs. Ed. Hoelzel.

ASK PUBLIC'S COOPERATION IN PREVENTING FIRES

Area Forester G. D. Purvis, of the Miss. Forestry Commission, urges all citizens to please be careful with fires. Purvis stated Hancock County had 13 wild forest fires on Jan. 28, 1963 which burned 275 acres of forest.

Purvis also stated that Hancock County and several other counties

are having more fires than usual this year. He advised that several fires were set in 16 section land that was planted last year. School children, teachers, parents and the public in general have much to gain from the development of our school forest lands in the county.

Purvis asks each citizen to cooperate with the State Forestry Laws and help give better school roads and more money in our pocketbooks.

ONE RESOLUTION WHICH HAS LASTED 25 YEARS

By this time of the year most people have broken their New Year's Resolutions.

But here's one resolution which has remained unbroken for over 25 years.

When rural people of this area joined hands to secure for themselves the electric power essential to growth and progress for their farms, homes and businesses, they resolved that their Electric Power Association would be locally owned and locally controlled. They pledged their credit and their faith so they could borrow money through the Rural Electrification Administration to build their lines and to repay that money with interest as quickly as possible.

That resolution has not and will never be broken. As a result the people who served themselves with electric power have realized social and financial progress they never dreamed possible at the beginning. Agricultural income has since increased by more than 500% - but more important, it has increased in direct proportion to the number of miles of electric lines energized by Electric Power Associations in Mississippi.

This year, as we have done every year since the birth of rural electrification in Mississippi, we re-resolve we will remain under local ownership and under local control. We re-resolve to continue to repay our debts with interest and with gratitude. We re-resolve to dedicate ourselves to the progress of our state and her people.

We also re-resolve that these resolutions shall not be broken.

CHURCH IN THE HILLS

The little frame church in this snow-blanketed mountain village lifts its tall spire above its rugged environment like a sentinel guarding a sacred trust or a lighthouse on a rock-bound coast.

Wherever man has pushed his habitations — in the bleak wastes of the polar regions, under the blazing tropical sun, or in the milder climates of the world — he has built his churches dedicated to the worship of God.

The fact that no community seems complete without its house of worship bears eloquent testimony to the universal recognition of man's need of religion.

The village church plays a vital part in the life of the community. The spiritual standards of the people are fashioned there; marriage vows are spoken at its altar, and the honored dead sleep in its sacred soil.

There it stands in every community — the little frame church — pointing the people to God, teaching them the way of life, giving them strength and faith for every need.

THE CHURCH FOR ALL — ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

"Wait Until The Sun Shines Nelly" an old song, "has been revived by local fishermen after a long period of rain and cold weather. Fishing has been at its worst for some time now.

The freezing weather has caused some of the bayous to freeze over and it was just impossible to venture out to do any kind of fishing and even oyster dredging boats were compelled to take to harbors for safety. On the other hand dredging for oysters on outside reefs was closed last week and will remain closed until February 8th. Hand Tongs has been continued. The harbor at Pass Christian has been a busy place lately. Some speckles were being caught in the harbor on plugs but they have gone with the wind, according to those who tried them over the weekend. Very few reports have come in regarding catches of both fresh and salt water fish. Fresh water fishermen are hoping that warmer weather will clear up rapidly after being muddled by the rains of last week.

Can't get any reports on quail hunting, the only open season left this year except for rabbits which will close when the quail season goes out.

Some rabbits have been killed on burnt over spots in the county and in the Louisiana area around Pearl River. Rabbit dogs are needed for good kills right now.

There are plenty of ducks being seen around but they seem to know that the season on ducks is out.

During the couple of days of warm weather several frogs were seen, which indicates that frog hunting should be good when warmer weather arrives.

Speaking of frogs, small frogs, especially the Leopard Frogs are ideal for fishing as bait for green trout (Black Bass).

There are approximately 280 North American species and when used for bait are very enticing to hungry fish. One of our best known frogs is the Bull Frog. The size and chicken-like daintiness of its hind legs make it a real treat for eating. They are caught by using a head light with gigs and hand grabbers, and are found along the banks of ponds, ditches and bayous.

For cooking, skin the hind legs, fry in deep fat after being dipped in corn Meal, salt and pepper. Frog legs sold in restaurants bring a nice price. Those catching frogs for commercial purposes must have a license. Try eating

NOTICE OF TRUSTEES SALE

WHEREAS, on July 5th, 1960, Pat F. Bass executed a deed of trust to secure an indebtedness therein mentioned to National Bank of Commerce in New Orleans, which deed of trust is recorded in Vol. 81, pages 530-531, Records of Mortgages and Deeds of Trust on Land in Hancock County, Miss., and,

WHEREAS, the said indebtedness, so secured, is past due and unpaid, and the said National Bank of Commerce in New Orleans, legal holder thereof, under the provisions of the said deed of trust, elected to and did on December 12th, 1962, appoint Gerald C. Gex, as substituted trustee, in the place instead of Dan M. Russell, Jr., Trustee, which appointment was in writing, and is duly recorded in Vol. 94, pages 107-8, Records of Mortgages and Deeds of Trust on Land in Hancock County, Miss., and,

NOW THEREFORE, I will on Monday, February 18th, 1963, between legal hours, offer for sale, and sell to the highest bidder for cash, in front of the front County Court House door of Hancock County, Miss., the land situated in Hancock County, Miss., and described in said deed of trust as follows, to-wit:

Commencing at the intersection of the line between Lot 3 and Lot 15, First Ward, City of Bay St. Louis, Miss., and the Southwesterly line of North Front St., and running thence N. 40° 52' West 244.23 feet along the Southwesterly line of N. Front St. to an iron stake at the intersection of the Northwesterly line of Dogwood Rd., (a new road) and the Southwesterly line of N. Front St., for the place of beginning of the land herein conveyed; thence N. 40° 52' W. 95 feet along the Southwesterly line of N. Front St. to an iron stake; thence S. 37° W. 150 feet to an iron stake; thence S. 40° 52' E. 85 feet to an iron stake on the Northwesterly line

them sometime. You'll be glad you did.

Among the salt water fish commonly caught here, about are flounders, red fish, speckles, sheepshead, and small drum fish. A number of people overlook the ordinary croaker as a eating fish. The meat is sweet and when fried crisp make a real table delicacy. Bull croakers will make their appearance later and grow to a good size.

Fresh water fish, green trout and all species of the perch family should start striking surface baits as soon as the weather warms up. Fly rod and casting rods will do the trick when using surface baits and plugs. For those who just like to fish the old fashioned perch pole and cork will produce lots of fun and fish for the table. Worms, small frogs, crickets, crawfish, grasshoppers, etc., and cut shrimp are all good baits. Green trout and perch mostly go for any live baits.

For fly rod beginners the most effective bait for catching Bluegills, crappies and any fish of the perch family is a black gnat with spinner and a piece of pork rind streamer. On days when plain fly patterns aren't doing a brisk business, or the fish have slackened off feeding, try this method.

Haven't been able to name fishermen who have made good catches lately. No fish, no reports. Will get around to this later. We hope!

BIRTHDAY DINNER

Mr. and Mrs. Henry Prevou entertained at a birthday dinner last Sunday for his aunt Mrs. Ella Colson on the occasion of her birthday. Guests were Mrs. Colson's daughter, Miss Mae Colson and his mother Mrs. Rose Prevou of New Orleans.

BOARD APPROVES PAYMENT OF BILLS

The Hancock County Board of Education authorized payment of Coast Electric Association bills for North Central, Logtown and Gulfview Schools at Thursday's meeting.

A motion by E. E. Ortle to transfer all 16 Section Interest Fund to District Fund and a motion to transfer \$1,000 from General School Fund to District Fund as an interfund loan was also carried. The board adjourned until February 4.

PRIVATE MEETING

Private meetings of the Hancock County Board of Education and Joseph Demourelle, Jr. were held Wednesday afternoon from the Hotel of Bay St. Louis, New Orleans. Interest was taken in Lake Lawn Park.

Survivors include two sons, James Demourelle, Pass Christian, and George Demourelle, Bay St. Louis.

Governor Ross Barnett today joined the governors of other southern states in proclaiming February as "Plant Trees - Grow Jobs" month.

The proclamation stated that because the growing and manufacturing of timber products is a vital part of our economy pro-

viding an annual income to the people of Mississippi in excess of 1/2 billion dollars it is therefore of utmost importance that our six million acres of idle land be planted to trees, thus producing a large increase in employment and economic opportunities for the people of Mississippi.

MOTOR VEHICLES MUST BE INSPECTED BEFORE MARCH 31

The time is at hand for the annual motor vehicle inspection. Highway Patrol Director of Finance and Staff Operations Boyd Golding offers this reminder for Mississippi drivers. "We have just begun the 1966 motor vehicle inspection period. All drivers have until the 31st of March to have their vehicles inspected at one of the 1100 locations throughout the state that have been approved by this office. As in prior years the five elements of the inspection are lights, brakes, windshield wipers, tires and steering. All essentials of the inspection procedure remain the same as before. The inspection may be made at any approved inspection station in the state. The inspection fee is \$1.25. All vehicles must have the inspection made before March 31, 1966. The stickers are similar to the 1962 stickers except they are red and black.

"It is difficult to overstate the importance of the annual inspection. Its value to drivers is very great. By insuring the mechanical condition of the vehicles that use our roads it contributes substantially to the traffic safety of all. Each driver is encouraged to have his car inspected early in the inspection period to avoid the last minute rush."

Mr. and Mrs. Joe Church attended an institute of advanced hair design in New Orleans last week.

Mr. and Mrs. John McCannon and son Rusty visited over the weekend with her parents, Mr. and Mrs. Victor Colson.

Madden-Penrose Wedding At Christ Episcopal Church

Miss Nanette Penrose, daughter of Mr. and Mrs. Norvin H. Penrose of Waveland, Miss., became the bride of Frank Edward Madden, son of Mr. and Mrs. Kenneth E. Madden of Jackson, Miss., in a double ring ceremony at 2 o'clock Saturday afternoon, January 28, in Christ Episcopal Church, with the Rev. Charles R. Johnson, rector, officiating.

White floral arrangements decorated the altar.

Mrs. Phillip Alliston, organist, rendered a program of nuptial music.

The bride, given in marriage by her father, wore a gown of white delustered satin fashioned with a fitted bodice with bateau neckline and long sleeves ending in points over the wrists. The full skirt featured a short train. She wore a chapel length veil of silk illusion and carried a bouquet of white rosebuds.

Miss Dawn Penrose was her sister's maid of honor and Miss Betty Ruhr of Waveland was bridesmaid.

They wore teal blue delustered satin dresses fashioned with bell shaped skirts and matching satin and tulle head pieces. They carried bouquets of cream colored carnations.

Guy Hopkins, Jackson, uncle of the groom, served as best man and Douglas Womack, also of Jackson, was groomsmen. Norvin H. Penrose Jr., brother of the bride, and Kenneth E. Madden, Jr., Jackson, brother of the groom, served as ushers.

Vases of white rosebuds decorated the home of the bride's parents for the reception following the ceremony.

The couple was assisted in receiving by Mr. and Mrs. Penrose, Mrs. Madden, and Mrs. Clem Penrose, grandmother of the bride.

The bride's table, covered with an imported hand embroidered linen cloth, was centered with a four-tiered bride's cake decorated with white roses and topped by triple spun sugar bells trimmed with a bow of tulle and satin ribbon.

Mrs. Carl Marshall, aunt of the bride, served the cake.

Tea girls were Misses Mary Ann Boyd, Hope Sewell, Linda Penrose, Kinta Eagan, Lea McIntosh, Kay Dorich, Holly Ruehl, Linda Hamilton, and Kappy Clark.

Mesdames J. W. Watts, Walter Dupaque, Henry Chapman, Wallace Chapman and Gladys Chapman, aunts of the bride, and Mrs. Wallace Bontemps and Mrs. Gerald Kennedy assisted in serving.

For traveling, the bride wore a beige linen sheath with a mohair jacket, black hat and accessories, and a corsage of white rosebuds.

Following a wedding trip along the Gulf Coast, Mr. and Mrs. Madden will reside in Jackson.

The bride, a graduate of St. Joseph Academy, attended the University of Southern Mississippi in Hattiesburg. She is employed by American Public Insurance Company.

The bridegroom is a graduate of Jackson Central High School and of Hinds Junior College. He is employed by the Mississippi Power and Light Company.

Out of town guests included a number of relatives and friends from New Orleans, Biloxi, Long Beach and Jackson, Miss.

FILES SUIT FOR \$50,000 DAMAGE

An Orleans Parish woman has filed a \$50,000 damage suit in federal court in Biloxi.

Mrs. Jules A. Barbin Jr., brought the action against Reginald Moran, doing business as Pearl's Gift Shop, and Alden Moran, his son, both of Bay St. Louis.

Mrs. Barbin alleges that she sustained serious injuries Aug. 12, 1958, in an automobile collision on U. S. 90 near the gift shop.

She said that she was a passenger in a car owned and operated by Anthony P. Robino when it was in collision with a car owned by the elder Moran and operated by Alden.

OVER THOUSAND TO ATTEND SOUTHERN SAFETY COUNCIL

Some one thousand adult delegates and five hundred youngsters from 14 Southern states will converge on Jackson on March 3, 4 and 5, 1966 for the Twenty Fourth Annual Meeting of the Southern Safety Conference.

This announcement was made by Lewis Graeber, President of the Mississippi Safety Council, the host organization to the Conference.

The Southern Safety Conference originated in Jackson 24 years ago and this meeting marks the first return to its mother city.

The Conference will officially open on Monday morning, March 4, with a General Session, featuring Dr. G. Herbert True, author, lecturer and research psychologist. Dr. True is Director of Research and Education for the National Labor Management Foundation, Chicago, and is Vice President of the True Klemp Organization.

According to Mr. Graeber, Dr. True is one of the nations most dynamic leaders and an inspiring and popular speaker.

He is a special consultant to many major U. S. corporations on items such as management development, creative behavior, communications, etc.

The Council President stated that following the General Meeting the Conference will divide into some 15 Sections covering the entire field of safety for two days of workshop discussion by the delegates.

The Section meetings will cover Chemicals, Industry, Commercial Vehicles, Transportation, Fire Prevention, Industrial Nursing, Mining and Quarrying, Textiles, Traffic - enforcement and engineering, Public Utilities, Water Safety and others.

Graeber said, "The Mississippi Safety Council is indeed honored to have the privilege of acting as host for the Southern Safety Conference and we are looking forward to having one of the most successful meetings in the Conference's history."

In addition to the meetings, the Conference will feature special events for the ladies in attendance, including a tea at the Governor's Mansion, a visit through the Old Capitol Museum and a tour of the beautiful homes section of Jackson.

The public is invited to attend any of the Safety Conference meetings.

FORESTRY NOTES

Mississippi continued its leadership in the American Tree Farm system in 1965 with the addition of 202 new tree farmers, more than any other state, according to American Forest Products Industries, sponsor of the national tree growing program.

Since 1955, Mississippi has held the distinction of the number one Tree Farm State. On Jan. 1, 1963, there were 3,154 Tree Farms covering 2,950,074 acres of forest land managed voluntarily for continuous forest production. One out of every five acres of privately-owned commercial forestland in the Magnolia State is in Tree Farms.

The state program is sponsored by the Mississippi Forestry Association, an organization of individuals and companies interested in forestry development. Public forestry agencies cooperate in the program which recognizes landowners for good forestry practices.

Certification of a woodlot as a Tree Farm indicates it is adequately protected against harmful grazing, fire, insects and diseases. It also shows the timber is being grown and managed for repeated crops of forest products.

"These forest acres in the Tree Farm program are playing a vital

role in the Mississippi economy," said Lester Cantelero, chairman of the Mississippi Forestry Association. "Tree Farm land produces the raw materials for the forest industries and represents the most important industrial activity in the state." Cantelero said the forest-dependent industries employ 40,000 workers with an average payroll of \$100 million - 35 per cent of the manufacturing wages paid in Mississippi. He added that Mississippi's forest products are valued at about \$500 million each year.

"Forestry is a long range program," the chairman stated, "but it does offer the landowner a sound investment."
